For Carole

Dear sweet Candace,

You've been so terribly good to me since the first second I've been with you. (Pretty dramatic) I don't have to ask you if you remember all the good times. You have been the one friend I've had more fun with in my whole life in such a short time. We'll never forget the snow and the flat tire. What was really terrible about that trip was for the rest of the year, every time I was called into the office, I went through a cold sweat. I can't write too much because my writing plus thought is so terrible. I'll see you during our freshman year! And we can't help but be good friends during the rest of our lives since we've liked each other so well. (maybe I'll write more) Love & Kisses Carole

Dear Candy,
Well our happy years have
finally come to an end.
What a blast it has been. Were
going to have to get together this summer.
and go to South Cruz and have a blast.
Meeting boys and all that junk.
Well make this summer more fun
than our senior year. If that's possible.
Love
Arlene

PUBLISHED BY THE ASSOCIATED STUDENTS OF
WASHINGTON UNION HIGH SCHOOL
FREMONT, CALIFORNIA
JUNE, 1958

If a visitor should come to Washington High, he would find it different from any other school in California. Due to a shortage of busses our students are transported at three different times. First period begins at 8:10, second period at 9:05 and third period at 10:00. This necessitates three different lunch hours. About one-third of the student body goes to lunch at 10:55. The second lunch period starts at 11:45. The third group must wait until 12:35.

The students who come first period go home at 2:15. Second period students are dismissed at 3:10, while third period students do not leave until 4:05.

With 2300 students and 100 faculty members we are living under very crowded conditions. Every classroom is being used.

The hallways are so crowded it is difficult to get to class on time.

What we need is a new school.

BOARD OF TRUSTEES

Left to Right: A. E. Alameda, M. J. Bernardo, E. M. Grimmer Jr., F. J. Gorghi Jr., J. L. Berchem.

This year has been a busy one for our loyal Board of Trustees. In addition to their regular duties they have something new to think of. That of course is the new school being planned for in Decoto. It is being financed by money voted in the last bond issue and state aid. It will be a four year high-school housing 1600 students. We expect it to be completed by September 1959. The school will be located on the corner of Decoto Road and Nursery Road. The credit for the plans of this beautiful new school goes to the Architects Falk and Booth.

This new edifice will be a fitting monument to our local Board of Trustees who have given so freely of their time and effort.

This year's record of 3 wins and 3 losses was our best record since 1951. Even though we lost to Santa Clara, that game was our best of the season. Tribute must be paid to our defense that allowed our opponents an average of only 10 points per game. Since it was a predominantly junior team our future prospects are bright.

Among the departing seniors who gave our team some drive are Eddie Marin and Hiro Kurotori. Marin and Moody were elected co-captains.

CROSS COUNTRY TRACK TEAM

This year's cross country teams not only defended last year's Frosh-Soph SCVAL title but captured the varsity and junior varsity league titles as well. The varsity led by Captain Luciano Esquibel won 4 out of 5 regular meets this year losing only to Palo Alto the ultimate north coast champions. Last year's school record was broken by six of this year's seven varsity lettermen. Craig Weeks with a come through performance in the league final set the new school record at 10:40 for the nearly two-mile course at Stanford. This year's varsity team are: Craig Weeks, Luciano Esquibel, Jack Griffin, Bill Nickels, Armando Mattos, Larry Arzie, Freddie Curtis.

This year's Jr. Varsity swept the first five league places to end the season with a perfect score. Isaac Carter missed the record by two seconds that was set earlier in the season by Rich Standal at 11:29. The Jr. Varsity lettermen this year are: Spencer Vail, Marv Bermstein, Isaac Carter, Al Espinoza, Dave Margolas.

The Frosh-Soph ran well all season being in the top four teams of the bay area and competing in races that contained as many as 170 runners. This year's team led by Freshman and Varsity letterman Larry Arzie are Larry Danner, Alfonso Rodrigues, Rich Winkel, Ronnie Rebello, Floyd Goines, Rich Laubsch, Stan Silva.

The Cross Country manager this year was hard working Mel Bettencourt.

This year's trail of broken records are:

	Varsity	J. V.	Frosh-Soph
Best individual time:	Craig Weeks 10:40	Rich Standal 11:29	Fred Curtis 11:03

J. V. WRESTLING

Coach Graf turned out an excellent wrestling team this year. He was assisted by Coach Walsh.

This was one of our big years in wrestling due largely to a boy named Steve Barnett who was elected captain for the year. Steve took fifth place in the North Coast Section and first in the SCVAL. Ed Marin took third in SCVAL while Cuevas also took a third. Ron Dominguez was declared the outstanding senior wrestler.

B BASKETBALL

Although this year's B team did not win a lot of games it had some outstanding players. Jim Amaral was elected captain for the year. LeRoy Tacange was voted the most valuable player by his team mates. Coach McCaslin has done a very fine job in building such an aggressive team.

VARSITY BASKETBALL

This year's varsity has a better record than any Washington High team since 1952. The boys finished by defeating Fremont 48 to 43. This gave them a record of 5 wins and 6 losses. Hiro Kurotori was elected captain for the year. Gil Cobarruviaz was voted most valuable player. This was Coach Albaugh's first year and the school is very proud of his record.

J. V. BASKETBALL

Coach Scholl in his first year at Washington has produced an outstanding JV basketball team. The boys have a record of 9 wins and 6 losses. The JV team is made up of boys who should be a big help to next year's varsity. Joe Allen was elected captain of the year and most valuable player.

TENNIS

With the return of but three lettermen from the '57 team, Washington's tennis fortunes were placed in the hands of enthusiastic but inexperienced netters. The Varsity schedule brought the Huskies against such tennis schools as Palo Alto, Carlmont, Camden, Bellarmine, and Los Altos.

The singles work was given to Dick Fritch, Steve Ebbage, Larry Bahr, Gary Christensen, and Dennis McKiernan. Doubles players Joe Monte de Ray, Jim McKiernan, Ken Miller, Ed Churka and Paul Orsetti gave the team fine double combinations.

Dear Candy:

You know I have never had so much fun with one girl as I have had with you. (Even if I do drive wrong approaches to the freeway). I really had fun at Macy's and with Mr. Hale. Oh well. Hey! By the way remember the Lion Club and the flies. Ha Ha. Well lots of luck to the best gal I ever loved. Here's hoping you get housing at S.B.
